There are two things I tend to do when I am procrastinating: shower a lot and bake. So if you come to my house and I'm squeaky clean and smell of gingerbread, you'll know that I'm in the midst of missing deadlines. This is why I think *Two Smart Cookies* is a genius idea. Instead of obsessive showering, these two ladies are baking ridiculously delicious, hot-from-the-oven cookies that keep people coming back time after time. I'm thinking some long trips to *Two Smart Cookies* might be another great form of procrastination.
